

## GLOWA Jordan River Project Team of Phase III

	<b>Principal Investigators</b>
<b>Project leader &amp; Project coordination</b>	Prof. Dr. Katja Tielbörger, Univ. of Tübingen, Dept. of Plant Ecology
<b>Scientific coordination</b>	Prof. Dr. Katja Tielbörger, Univ. of Tübingen, Dept. of Plant Ecology Prof. Dr. Pinhas Alpert, Tel Aviv Univ., <a href="#">Dept. of Geophysics and Planetary Science</a> Prof. Dr. Anan Jayyousi, An-Najah National Univ., Water and Environmental Studies Inst. (WESI), Nablus Prof. Dr. Amer Salman, Univ. of Jordan, Dept. of Agricultural Economics and Agribusiness, Amman
<b>Steering Committee</b>	K. Tielbörger, Univ. of Tübingen, Dept. of Plant Ecology K.-H. Simon, Univ. of Kassel, Center for Environmental Systems Research (CESR) J. Lange, Univ. of Freiburg, <a href="#">Inst. of Hydrology</a> P. Alpert, Tel Aviv Univ., <a href="#">Dept. of Geophysics and Planetary Science</a> T. Dayan, Tel Aviv Univ., Dept. of Zoology M. Shechter, Univ. of Haifa, Natural Resource & Environmental Research Center (NRERC) A. Salman & E. Karablieh, Arab Technologist for Economical and Environmental Consultation (ATEEC), Amman R. Twite, Israel/Palestine Center for Research and Information (IPCRI), Environment and Water Dept., Jerusalem A. Jayyousi, An-Najah National Univ., Water and Environmental Studies Inst. (WESI), Nablus H. Hoff, Stockholm Environment Inst. (SEI), Stockholm
<b>Scenario analysis, SAS – Story and Simulation Approach</b>	K.-H. Simon & J. Onigkeit, Univ. of Kassel, Center for Environmental Systems Research (CESR), Kassel P. Alpert, Tel Aviv Univ., Dept. of Geophysics and Planetary Science T. Dayan, Tel Aviv Univ., Dept. of Zoology J. Dreizin, Consultant, Tel Aviv J. Schwarz, TAHAL Consultants, Tel Aviv A. Salman, Arab Technologist for Economical and Environmental Consultation (ATEEC), Amman A. Subah, Ministry of Water and Irrigation, Amman R. Twite; Israel/Palestine Center for Research and Information (IPCRI), Environment and Water Dept., Jerusalem A. Jayyousi, An-Najah National Univ., Water and Environmental Studies Inst. (WESI), Nablus A.-R. Tamimi, Palestine Hydrology Group (PHG), Jerusalem A. Aliewi, House of Water and Environment, Ramallah A. Jarrar, Palestinian Water Authority, Ramallah I. Nofal, Ministry of Agriculture, Ramallah
<b>WEAP - Water Evaluation and Planning Tool</b>	H. Hoff & B. Joyce, Stockholm Environment Inst. (SEI), Stockholm Ch. Bonzi, Univ. of Tübingen, Dept. of Plant Ecology J. Schwarz, TAHAL Consultants, Tel Aviv A. Rimmer, Israel Oceanographic and Limnological Research, The Lake Kinneret Limnological Laboratory, Migdal Y. Salinger, STAV-GIS Ltd., Rakefet C. Lipchin & A. Chen, Arava Inst. for Environmental Studies, D.N. Hevel Eilot I. Litaor, <a href="#">Tel Hai Academic College, Dept. of Environmental Sciences</a> , Upper Galilee J. Dreizin, Consultant, Tel Aviv J. Schwarz, TAHAL Consultants, Tel Aviv A. Subah, Ministry of Water and Irrigation, Amman

	<p>N. Seder, Jordan Valley Authority</p> <p>A. Salman, Arab Technologist for Economical and Environmental Consultation (ATEEC), Amman</p> <p>A. Jayyousi, An-Najah National Univ., Water and Environmental Studies Inst. (WESI), Nablus</p> <p>A. R. Tamimi &amp; M. Abu Saada, Palestine Hydrology Group (PHG), Jerusalem</p> <p>A. Jarrar, Palestinian Water Authority, Ramallah</p> <p>I. Nofal, Ministry of Agriculture, Ramallah</p> <p>A. Aliewi, House of Water and Environment, Ramallah</p>
<p><b>(Eco-) Hydrological modelling,</b></p> <p><b>Rainwater harvesting,</b></p> <p><b>Managed aquifer recharge,</b></p> <p><b>Water productivity in agriculture</b></p>	<p>J. Lange, Univ. of Freiburg, Inst. of Hydrology</p> <p>L. Menzel, Univ. of Heidelberg, Professorship for Physical Geography</p> <p>T Grodek &amp; E. Morin, Hebrew Univ. of Jerusalem, Dept. of Geography</p> <p>D. Yakir, Weizmann Inst. of Science, Dept. of Environmental Sciences and Energy Research (ESER), Rehovot</p> <p>P. Berliner &amp; J. Ben-Asher, Ben Gurion Univ. of the Negev, Jacob Blaustein Inst. for Desert Research, Wyler Dept. of Dryland Agriculture, Sede Boqer Campus</p> <p>I. Oroud, Mu'tah Univ., Faculty of Social Science, Dept. of Geography, Karak</p> <p>M. Almasri, A Jayyousi, H. Shaheen, S. Shadeed, An-Najah National Univ., Water and Environmental Studies Inst. (WESI), Nablus</p>
<p><b>Land use modelling</b></p>	<p>R. Schaldach &amp; J. Koch, Univ. of Kassel, Center for Environmental Systems Research (CESR)</p>
<p><b>Regional climate scenarios</b></p>	<p>H. Kunstmann &amp; G. Smiatek, Karlsruhe Inst. of Technology, Inst. for Meteorology and Climate Research, Atmospheric Environmental Research Divison (IMK-IFU), Garmisch-Partenkirchen</p> <p>S.O. Krichak &amp; P. Alpert, Tel Aviv Univ., Dept. of Geophysics and Planetary Science, Tel Aviv</p>
<p><b>(Semi-) Natural ecosystem modelling and management</b></p> <p><b>Animal &amp; plant biodiversity</b></p>	<p>K. Tielbörger, Univ. of Tübingen, Dept. of Plant Ecology</p> <p>F. Jeltsch &amp; K. Geissler, Univ. of Potsdam, Research Group Plant Ecology &amp; Nature Conservation, Potsdam</p> <p>R. Prasse, Univ. of Hannover, Inst. of Environmental Planning</p> <p>D. Malkinson, Univ. of Haifa, Dept. of Geography and Environmental Studies</p> <p>T. Dayan, Tel Aviv Univ., Dept. of Zoology</p> <p>M. Sternberg, Tel Aviv Univ., Dept. of Molecular Biology and Ecology of Plants</p> <p>J. Kigel, Hebrew Univ. of Jerusalem, The Robert H. Smith Inst. of Plant Science and Genetics in Agriculture, Rehovot</p> <p>M.S. Ali-Shtayeh, Biodiversity &amp; Environmental Research Center (BERC), Nablus</p> <p>A. Saleh, Al-Quds Univ. Abu Deis, Dept. of Biology, Jerusalem</p>
<p><b>Ecosystem services and socio economy</b></p>	<p>M. Shechter &amp; D. DiSegni, Univ. of Haifa, Natural Resource &amp; Environmental Research Center (NRERC)</p> <p>A. Fleischer, &amp; I. Kan, Hebrew Univ. of Jerusalem Dept. of Agricultural Economics and Management, Rehovot</p> <p>A. Salman &amp; E. Karablieh, Arab Technologist for Economical and Environmental Consultation (ATEEC), Amman</p> <p>T. Hijawi, Association for Integrated Rural Development (ARID), Ramallah</p>
<p><b>Land evaluation for effluent reuse</b></p>	<p>B. Marschner, Ruhr-Univ. Bochum, Dept. of Soil Science and Soil Ecology</p> <p>Y. Chen &amp; J. Tarchitzky, Hebrew Univ. of Jerusalem Dept. of Soil and Water Sciences, Rehovot</p> <p>A. Salman &amp; E. Karablieh, Arab Technologist for Economical and Environmental Consultation (ATEEC), Amman</p> <p>M. Almasri, An-Najah National Univ., Water and Environmental Studies Inst. (WESI), Nablus</p> <p>A. Abed Rabbo, Univ. of Bethlehem, Water &amp; Soil Environmental Research Unit (WSERU)</p>
